

## Cape Santa Maria, Long Island, Bahamas (MYLS) Southeastern Bonanza Society's Signature Fly In Event! November 13-17, 2016

Come with us as we return to the Cape Santa Maria Beach Resort on the northern end of Long Island in the Bahamas. The resort is situated on a beach that is recognized as one of the top 10 best beaches in the world. The four-mile long beach is pure white sand and is free of coral and rocks. You can wade out 50 feet and are only waist deep. A barrier reef protects the beach from large waves. In addition, Travel & Leisure named Cape Santa Maria Beach Resort the 2<sup>nd</sup> most romantic hotel in the Bahamas in 2014.

The resort consists of bungalows and villas directly on the beach. Bungalows consist of two units each facing the beach and are only a few steps away from the sand. Each bungalow unit has either two queen beds or one king, private veranda with table and chairs to watch the sunset, air conditioning, ceiling fan, tub/shower in bathroom, coffee maker, hair dryer, small refrigerator and personal safe. A TV room and business center with complimentary WIFI is available at the resort's beach house. Larger

bungalows are available with 2 queen beds and a side room with two twin beds for an extra fee. Caution... the side room is attached, there is only one bathroom, and you must walk through the main bedroom to get to the side room.

The cost for a bungalow unit is \$391.63 per couple per night based on double occupancy (grand total for four nights is \$1566.52) and includes all taxes and service charges, breakfast, dinner, non-alcoholic beverages with meals, a welcome cocktail, a first night bottle of wine, a half-hour massage for each person (in your room or on your patio overlooking the beach) and conch fritters each evening during cocktail hour. Complimentary use of kayaks and bicycles is also included. There is an additional charge for units with side rooms which you can discuss when you call for reservations.

You can upgrade to a villa, if interested. The villa is a 2-bedroom/2 bath condo approximately 1800 square feet. The bedrooms consist of 1 king and 2 queens, each with a bathroom. The villa also has a full kitchen, WIFI, and Satellite TV. Two couples are recommended, and the cost is \$429.25 per couple per night (grand total is \$3434 or \$ 1717 per couple).

In addition to the beautiful beach, the resort has a number of activities available at an extra charge. Activities include SCUBA trips, snorkeling, deep sea fishing charters, bone fishing charters, Long Island tour, Iguana tour, and nature kayak tour. But the charm of the island is the pure relaxation away from the hustle and bustle of everyday life!

For reservations, call Laurie McPherson at 800-663-7090 extension 6526. Advise her that you are with the Southeastern Bonanza Society and would like the SEBS rate. A 25% deposit is required at the time of booking. The deadline to make reservations and receive the SEBS rate is Wednesday, September 28<sup>th</sup>! But don't wait! This trip sells out early! After that, there is no guarantee the rate will be available!

For more information on the resort and activities, visit their website at [www.capesantamaria.com](http://www.capesantamaria.com).

The airport we will be using is Stella Maris, MYLS. This airport runway was recently repaved. There is no landing fee for single engine planes, however there is a nominal parking fee. Fuel is available. A cab from the airport to the club is about \$36.00 for two people and \$2.00 for each additional person.

Flying to the Bahamas is easy. If you would feel more comfortable, there will be a group fly over from Fort Pierce, FL, St. Lucie County International Airport (KFPR) on Sunday, November 13<sup>th</sup>. Meet by 9:00 am and departures will start by 10:00 am.

**If you have any questions about this fly-in or the group fly over, please contact Michael Turner at (757) 621-4227 (evenings) or email [Michael97r@gmail.com](mailto:Michael97r@gmail.com).**

NOTE: A PASSPORT IS REQUIRED FOR EVERYONE RE-ENTERING THE US INCLUDING CHILDREN. Birth certificates are no longer accepted. Each pilot will need to show his/her pilot's license and medical upon returning to the USA.
